CAMPAIGNING FOR YOU IN TRURO AND FALMOUTH

Vote Ruth Gripper on 4th July

Make Your Voice Heard

After this election, we are likely to have a change of government.

Voters are fed up with Conservative failure. But this election is not just about who will be Prime Minister. It is a chance for you to make your voice heard.

Voting for local Lib Dem candidate Ruth Gripper will send a message to the next government: **you must listen to us.** We want you to pay attention to the issues we care about - not national campaigns that benefit the big cities.

WHY LOCAL PEOPLE ARE SUPPORTING RUTH

“ I have always voted Conservative - never again. I am voting for Ruth Gripper. She is a breath of fresh air.

Lindsey, Perranwell

”

“ I voted tactically last time around. This time I'm voting for what I believe in. I'll be voting for Ruth Gripper and the Lib Dems.

Tim, Truro

”

Throughout this election campaign I have met hundreds of people who feel that their views are not being heard. The mainstream parties are focusing on their own messages - not listening to local voters. As your MP, I aim to change that. I will represent your views in Parliament - not be a cheerleader for decisions that are made by remote politicians hundreds of miles away. Support me on 4th July and cast a vote for real change.
